AGENDA

Regular Meeting
Tuesday, March 18, 2014
7:00 p.m.

1. Call to Order

2. The Pledge to the Flag

3. Roll Call of the Board

4. Approval of the Agenda

5. ZBA Case 06-2014, Mark Davis, 9510 Silverside, South Lyon. Request two variances, one for a 7.1 foot east side yard setback and a 3 foot west side yard setback. 38-136 requires 15 side yard setback on both sides. This would allow a new home to be built.
   a. Applicant's Presentation of the Case – maximum of ten minutes
   b. Board members may question the Applicant
   c. Open Public Hearing – a maximum of three minutes shall be allotted to individuals, and a maximum of five minutes to a group representative
   d. Close Public Hearing
   e. Rebuttal by Applicant – a maximum of two minutes allotted
   f. Decision of the ZBA

6. ZBA Case 07-2014 Raymond Hurley, 6295 Island Lake Dr. Brighton. Request three variances, one for a waterfront setback, for a single family home, average allowed is 25 feet, proposed 16 feet. Request is for a 9 foot waterfront setback variance. Second variance is for a 2nd floor waterfront balcony that projects into the required yard 15 feet, 5 feet allowed, leaving a setback of 10 feet. The third variance is for an unenclosed main floor waterfront deck which projects into the required yard 20 feet, 6 feet allowed, leaving a setback of 6 feet.
   a. Applicant's Presentation of the Case – maximum of ten minutes
   b. Board members may question the Applicant
   c. Open Public Hearing – a maximum of three minutes shall be allotted to individuals, and a maximum of five minutes to a group representative
   d. Close Public Hearing
   e. Rebuttal by Applicant – a maximum of two minutes allotted
   f. Decision of the ZBA
7. ZBA Case 08-2014 Richard F. Biermacher, 8338 Riverside Dr. Brighton, request a 5 foot variance, for a 35 foot front yard setback. 38-136 requires a 40 foot front yard setback. This would allow an attached accessory building.

a. Applicant's Presentation of the Case – maximum of ten minutes
b. Board members may question the Applicant
c. Open Public Hearing – a maximum of three minutes shall be allotted to individuals, and a maximum of five minutes to a group representative
d. Close Public Hearing
e. Rebuttal by Applicant – a maximum of two minutes allotted
f. Decision of the ZBA

The meeting was called to order by Mr. Weinburger at 7:00 p.m.

Roll Call:  
Gary Gaylord  
Wendy Hoover  
Sarah Pearsall  
Jim Tuthill  
Joe Weinburger

Guests:  
11

Also Present:  
Debra McKenzie, Zoning Administrator  
Billy Lintner, Alternate

APPROVAL OF AGENDA

Motion by Pearsall, second by Tuthill  
To approve the agenda as presented.

Voice Vote:  
Ayes: Unanimous  
Nays: None

MOTION APPROVED

A. ZBA Case 06-2014, Mark Davis, 9510 Silverside, South Lyon. Request two variances, one for a 7 foot east side yard setback and a 3 foot west side yard setback. 38-136 requires 15' side yard setback on both sides. This would allow a new home to be built.

Representing ZBA Case 06-2014:  
Mark and Lisa Davis  
6528 Tamarack Drive, Troy, MI 48098

Ms. Davis explained that this property has been in her family for 90+ years and the structure is a true summer cottage. There is no heat, running water, insulation and has a post foundation. The applicant requests a side setback variance on each side of the lot, which measure 50 feet in total width. The variances would allow them to build a new, permanent year round single family residence at a reasonable width of 30 feet. They will build on the footprint of the existing footprint. Mr. Davis explained that they are proposing a fireplace that will require an additional 2' for the width of the fireplace so they are asking for 10' instead of 12' in that area.

Ms. Pearsall asked what the practical difficulty is. Mr. Davis stated the width of the house/lot. Ms. Davis explained that a new septic system and well will be installed and the existing garage will be demolished as well.
Mr. Weinburger opened the public hearing.

**Rick Minton, 9514 Silverside Drive** – Mr. Minton stated that he has been the Davis’s neighbor for 38 years and they have been great neighbors. He stated that making these improvements will not be infringing on his property at all and he was in support of the request.

Mr. Weinburger closed the public hearing due to no further comments.

Mr. Weinburger explained that the lot of record is too narrow to comply with the ordinance.

**Motion by Gaylord, second by Tuthill**
To approve the variance request for ZBA 06-2014 9510 Silverside, South Lyon because the applicant has shown a practical difficulty for the following reasons: there are exceptional or extraordinary circumstances or conditions applicable to the property that do not generally apply to other properties in the area specifically to build a new permanent home a practical difficulty exists with the small 50’ lot and the home will be built per the plans that were submitted.

The variances are necessary for the preservation and enjoyment of a substantial property right possessed by other property in the same zone and vicinity. The variances will allow a single family home on a small lot and the granting of such variance will not be materially detrimental to the public welfare because the sideyard setbacks will enhance the property as well as the surrounding homes allowing proper drainage and a new sanitary system.

The granting of the variance will not adversely affect the purpose or objectives of the Township’s Master Plan because the new home is and it will aesthetically complimentary to the surrounding area and will be a permanent resident. The practical difficulty is not self-created for the reason that it is only 50’ and will have the same setbacks as the current structure.

**Roll Call Vote: Ayes: Unanimous Nays: None**

**MOTION APPROVED**

2. **ZBA 07-2014, Raymond Hurley, 6295 Island Lake Drive, Brighton. Request three variances, one for a waterfront setback, for a single family home, average allowed is 25 feet, proposed 16 feet. Request is for a 9 foot waterfront setback variance. Second variance is for a 2nd floor waterfront balcony that projects in the required yard 15 feet, 5 feet allowed, leaving a setback of 10 feet. The third variance is for an unenclosed main floor waterfront deck which projects into the required yard 20 feet, 6 feet allowed, leaving a setback of 6 feet.**
Mr. Hurley explained that this lot is a legally platted lot and the size prohibits having a garage with a 9’ setback at the rear. The topography of the land rises 8’ to 16’ from the rear. He explained that there is a park on one side of the property. He explained that he has owned the property and maintained the property for 24 years and has had sewer since 2002. He also has a sea wall to protect the shoreline.

Mr. Weinburger confirmed that the applicant demolished the existing home. Mr. Hurly stated that there will be a new foundation but he will be using less of a footprint from the original home. Mr. Hurley explained that the lot coverage is ½ of the former house or 30% lot coverage which meets the code.

Ms. Pearsall questioned the deck. Mr. Hurley stated one balcony is 4’ x 11’ and the other one 6’x 14’6”.

Mr. Weinburger opened the public hearing.

John Connolly, 6169 Island Lake Drive – He explained that he is a new neighbor and he supported Mr. Hurley building a new home.

Mr. Weinburger closed the public hearing due to no further comments.

Mr. Weinburger explained that the Township did receive letters from residents who were not in support of this request.

Mr. Hurley explained that this home will be a residence for him or his daughter may live there. He will not infringe on the park. He explained that he thought the resident’s consider his lot as part of the park which is not the case. He explained that he has a building envelope there and he has chosen to build a nice home with a garage on it so that he can store lake equipment. He stated he could build in the envelope but he wouldn’t have room to put his stuff. He could build a 1300’ cottage but there was still the slope in the backyard to contend with.

Motion by Gaylord, second by Tuthill
To approve ZBA Case application 07-2014 there are exceptional or extraordinary circumstances applicable to the property that do no generally apply to other properties in the district specifically the lot size creates a practical difficulty for re construction. Variances are necessary for the preservation and enjoyment of a substantial property right possessed by other properties in the same district or surrounding area and is not a condition or situation which is general or recurring in nature. A practical difficulty does exist with the lot parameters, the building footprint of the new home. The granting of the variance will not be materially detrimental to the public welfare or adversely affect the surrounding properties in the district for the following reasons: Aesthetically the proposed site will fit within the neighboring setback parameters. The granting of the variance ill not adversely affect the purpose or objectives of the Township’s Master Plan because the building site is a permanent aesthetically pleasing design which is experiencing a practical difficulty for construction due to the small
lot size and the practical difficulty is not self-created.

Roll Call Vote:  Ayes: Hoover, Gaylord, Tuthill  
Nays: Pearsall, Weinburger

MOTION APPROVED  

3. ZBA Case 08-2014 Richard F. Biermacher, 8338 Riverside Dr., Brighton, request a 5 foot variance, for a 35 foot front yard setback.. Section 38-136 requires a 40 foot front yard setback. This would allow an attached accessory building.

Representing ZBA Case 08-2014: Richard Biermacher

Mr. Biermacher explained that setback variation will allow for construction of an attached garage to blend aesthetically and architecturally with the existing home and neighborhood. The lot line is approximately 20’ from edge of road putting the proposed building 55’ from the edge of the road. He explained that the side lot lines are not square to the road and present architectural design variances that would be visually unacceptable. He explained that the side lot line is angled and it won't allow the building to be squared and it would block the window.

Mr. Weinberger opened the public hearing and closed it due to no one wishing to comment.

Motion by Hoover, second by Pearsall  
To approve the variance in ZBA Case 08-2014 to allow a 5’ variance in the front yard setback to be 35’ when the ordinance requires 40’. The practical difficulty is due to the configuration of the lot and how the existing home is set. The granting of the variance would not be detrimental to the health, safety and welfare.

Roll Call Vote:  Ayes: Unanimous  
Nays: None

MOTION APPROVED

NEW BUSINESS – Mr. Weinburger asked that the ZBA members look over Chapter 38 since it will be coming up to amend it.

OLD BUSINESS - None

APPROVAL OF MINUTES

Motion by Pearsall, second by Hoover  
To approve the January 21, 2014 meeting minutes as presented.

Voice Vote: Ayes: Unanimous
Nays: None

MOTION APPROVED

CORRESPONDENCE – None

CALL TO THE PUBLIC

John Connelly, 6169 Island Lake Drive. He explained that he originally had said he was new to the neighborhood when in fact he has been coming there is entire life. He explained that his great grandparents built a home there and he thanked the Board for doing the right thing in granting the approval for Mr. and Mrs. Davis.

ADJOURNMENT

Mr. Weinberger adjourned the Zoning Board of Appeals meeting at 7:47 p.m. due to no further business.

Respectfully Submitted,

Kellie Angelosanto
