

Green Oak Charter Township Fire Department

🔥 NEW PERMIT - Great News - 2017 Green Oak Charter Township Fire Department Burn Permit Information 🔥

Burn permits will be issued annually with a renewal date of March 1st of the following year.

All burn sites must be inspected and meet the requirements explained on the permit...

Burn site only needs to be inspected once unless there is a change to the site such as the location on the property.

Burn permits will be revoked if burning is found that is in violation of the permit rules.

The burn permit must be present anytime the applicant is burning.

It is the responsibility of the applicant to verify there that a local burn ban has not been issued prior to burning for the day. Information for local burn bans will be posted on the Green Oak Charter Township Facebook page at <https://www.facebook.com/greenoakfd/>, the Green Oak Charter Township web page at <http://www.greenoaktwp.com/>, or can be obtained by calling 810-231-3663.

Open burning shall not be used for the disposal of waste material other than brush, leaves, and grass.

Open burning shall be extinguished before sunset.

Size of area burn shall will not exceed 5 FT X 5 FT X 4 FT.

Have a garden hose, approved fire extinguisher or other form of water source on the burn site before you ignite.

If the wind speed is 5 miles per hour or above, you shall not burn. IFC 307.1.1

No burning should take place under any type of overhead obstructions (wires, branches, etc.).

Check the burn area before retiring for the night.
