

Green Oak Farmers & Community Market

11299 Grand Rive Ave, Brighton Michigan (East of old US 23/West of Pleasant Valley/north side of street)

Sundays 10 AM to 3pm

May thru end of October

We would like to team up with non-profit organizations and offer

Free booth

Need your help to promote your booth and our market to your email addresses

We have no food vendors that offer any baked goods- so would welcome bake sales or other food events or even music event

Since our market is only a few years old, we are still growing our traffic and thus why we are offering this opportunity

To sign up for a particular weekend please contact:
