

WEATHERIZATION *was* the Nation's best kept secret for residential energy conservation...,

But the secret's out!

WEATHERIZATION WORKS!!

The Weatherization Assistance Program is a **FREE** service funded by the Federal Department of Energy (DOE) that provides **FREE** energy conservation services for eligible low-income households. Weatherization can help reduce energy use and lower your energy bills. It may include services such as wall, ceiling and attic insulation; ventilation; combustion-appliance testing; furnace repair or replacement; air leakage reduction, and many other energy-saving measures!

Don't waste this opportunity to save money and lower your utility bills!
